# From the Desk of Managing Director

Mrs. Dolly Choudhary

Institute of Management Research and Development is highly enlivened by the words of Alvin Toffler - "The illiterate of this century will not be those who cannot read and write, but those who cannot learn, unlearn, and relearn." In today's world where the potential management leaders and the IT experts needs to innovate and redesign themselves perpetually; Seemanchal Degree College nurtures them and provide them with a lavish platform to adapt the radical environment in management and information technology education. Since its inception in 2000, SGI has established itself as an unsurpassed institute in the whole North Bihar region. Institute's curriculum is an absolute blend of academic and applied knowledge which allows the students from any discipline to develop the skills and knowledge relevant to their own career paths.

The institute has earned reputation as a center for quality education for its prime infrastructure tied up with modern equipment's and a disciplinary environment. An academically strong and committed faculty is the backbone of SEEMANCHAL GROUP OF INSTITUTIONS. A special mention about our Alumni, who are eminent and hold significant position in their profession in India and abroad. They are a continuous source of inspiration for our regular students. The fascinating serene surroundings of coupled with an excellent college ambiance will play a stimulating factor in enhancing your quest for knowledge, education and research. We heartily welcome you to explore a brand new wonderful life and a bright future ahead.

{ Transformation }  
begins with education }

# About us

Seemanchal Degree College (Professional) is a place where raw talents are shaped, guided and polished to emerge as through professionals in the highly competitive knowledge-based world. It has been designed to play a key role to produce performance-oriented professionals who will excel in their respective fields. As preached & promulgated by us

- Always look for and follow the best practices and standards.
- Maintain national and global character.
- Create a rewarding sense of belongingness for mutual growth.

SDC offers 3 years full time Career - Oriented Under-Graduate (UG) programme BCA & BBA from Aryabhata Knowledge University, Patna.

Our learning programme is driven by high quality faculty & they have been associated with top educational institutions of India through their education and past work experience.

We continuously innovate on teaching & learning process with Guided Self- Study (GSS), new format of performance feedback etc. Students are encouraged to develop self-learning orientation. GSS, while common among top American & European institutions, is new unique feature of our learning programme. This promotes study of what you may like to learn.

## Vision

**“ To transpire as a group of institutions which not only imbibe new philosophies and knowledge among brilliant young minds but also sensitizes them towards social responsibilities they have as young citizens of India. Further to this, Seemanchal Group accomplish for total quality management. ”**

The Institutions will strive to achieve this vision by:

- Developing a team of dedicated and competent workforce in excellence-oriented learning environment.
- Mutually beneficial and Constructive interaction with corporates to develop industry-institutions relationship
- Strengthening community services by developing young human resource.
- Inculcating the qualities of leadership, skills and values by infusing inquisitiveness and time-honoured virtues in the students

## Mission

**“ Our mission is to nurture the enormous talent of the students by providing them inspiring ambience in which students feel highly motivated to strive in a diligent and dedicated manner. They will be equipped with the skills and strengths that they need to cope with the challenges that life has in store for them. ”**

We are committed to:

- Offering best quality education to students
- Producing skilled manpower meeting international standards and global requirements
- Ensuring optimum utilization of available resources
- Providing transparent and efficient administration
- Conducting job-oriented courses in appropriate technologies for the benefits of society.
- Interacting with industries, alumni and society by offering mutually beneficial services, creating unshakable trust and maintaining high moral standards.
